RETAIL CUSTOMER LIMITED WARRANTY

General Product Limited Warranty — Nikken offers a limited warranty on all of its products to retail customers of Independent Nikken Consultants. Nikken guarantees these products to be free from defects in workmanship, and each product carries its own limited warranty, as listed in the chart above. Nikken Consultants handle all retail returns. If a retail customer of a Nikken Consultant receives or experiences a manufacturer defect on a product during the limited warranty period for that product, the product should be returned to the Consultant for repair or replacement. Consultants may return the defective product after first calling the Nikken Distributor Services Department to request and receive an RMA number. Nikken will be held harmless for any incurred charges. Compliance with these procedures is necessary to provide continued quality service and products to retail customers.

Clothing Exchange Policy — All Nikken clothing items are designed following the standard industry sizing chart. If the fit is not what you expected, or the item is defective, it will be exchanged by Nikken. Return the item within 30 days of purchase, unworn, in resalable condition and in the original package with the retail receipts, to your Consultant for an exchange of size.

Nutrition/Skin Care 30-Day Money-Back Guarantee — Nikken guarantees the quality of any nutritional and skin care product that carries the Nikken name, and Nikken certifies that its products meet high standards of freshness and purity. If you are not satisfied, the product may be returned to the Independent Nikken Consultant within 30 days after purchase.
